

# HOW IT WORKS

Select any store  
Scan items on  
phone  
Pay and Go

Check items stock at  
home

Receipts and checklists  
in one place

Updates on coupons,  
discounts and sales

# WHY?

- Never stand in line again
- At no extra cost, make your billing experience 10x faster
- One app, multiple stores

Additional benefits at <\$5  
a month

- Never miss out on great deals and sales
- Become an expert at tracking your expenses
- Recommendation system
- Automated checklists

PAY & GO

# WHY

- 86% of U.S. consumers have left a store due to long lines
- Retailers are losing an estimated \$38 billion in potential sales
- 77% of consumers are less likely to shop at the retail store again if they experience long checkout lines
- Future of checking out is no checkouts at all
- Save costs on checkout counters

# HOW

- Eliminate the concept of queues
- Simple scan and go systems
- Increase time spent exploring aisles
- Better product layouts
- Additional safety if needed
